Request No.: 01

Boat: J70 - GER1719 - Paint it black - Michael Grau

Request:

Previous Crew: Sam los Reyes

New Crew: Florian Thoelen

This is Florian from GER1719 paint it black. The last days I had a summer flu which was the reason for I was not sailing today and got replaced by Sam de los Reyes on the bow. Now I feel fit again and want to sail the last two days.

With this Email I request a crew change.

Sam los Reyes - out

Florian Thoelen - in

We are almost same weight and body size.
