**Request No: 01**

**Boat: Ilca6 - 204568 - Zoe Thomson**

---

**Request:**

**Old Equipment:**

Sail #204568

**New Equipment:**

Sail #8

**Reason:**

The new sail I was using has bad stitching, requesting to use an older sail with #8

---

**Response: Approved**

You can change your sail , this is fine.

However we are not accepting only a single digit.

You must to have 6 digits , so please use the number you had : 204568 or add 6 digits to the new sail you want to sail with.

If you don't have 6 digits with national letters in your sail, request to change for a sail with a single digit is not approved.
