

ILCA Inland Championships

Equipment Substitution Request

Received: 2021-10-28 00:00 UTC

Request No: 01

Boat: ILCA - 6 - 215421 - 215421 - William Sunderland

Request:

Old Equipment:

Sail 215421

New Equipment:

Sail 194659

Reason:

Can I use the sail with 194659 on. It is my old boat that I still own, so no-one else would be using that number

I will order new numbers and change the sail numbers for the next event

Response: Approved

William, which hulls do you own? I have

194659

215421

214007

215408

It seems to me you are a regular on equipment change. Please make sure you sail with sail number 194659 for this event. It would make things easier if you entered with the correct hull and sail number. We have approved this time, if possible make it the last time (unless something breaks of course)
