Request No: 04

Boat: ILCA 7 - INDIA 06 - DEEPAK K SAINI

Request:

Old Equipment:

Mast top section revit damage

New Equipment:

Laser mast top section

Reason:

Revit damaged during the 1 st race , repair of equipment is not possible in the race area ,so request TC to replace it with another top section

Response: Approved

Physical checked and found that the mast top step has slightly moved and reached 308mm which surpassed the class rule limitations.
