Equipment Substitution Request

Received: 2023-05-05 08:34 CEST

Request No: 03

Boat: Ilca 7 - 206360 - Kārlis Dubra

Request:

Old Equipment:

Old sail
206360

New Equipment:

New Ilca 7 sail
206360

Reason:

The very old sail has been teared apart at reinforcement around the mast at the top off the sail.
Due to high pressure on the Cunningham in a Ilca 7, it is not to be repaired!

Response: Approved
