**Request No: 01**

**Boat: Moth - 4763 - None - Philipp Buhl**

---

**Request:**

**Old Equipment:**

**New Equipment:**

**Reason:**

I would like request permission for using my existing sailnumber 4763 for the event on a platform/hull with the number 4991. Reason behind is, that I have changed platform shortly before the event and my sailnumbers 4763, I entered the event with, are in both my sails.

No one is going to use my old boat with the hull number 4763 in this event (just for clarification).

Thank you. Sincerely philipp buhl
