

## Double Mixed Offshore World Championship Equipment Substitution Request

Received: 2023-10-04 10:58 CEST

---

Request No: 01

Boat: Dh - 10 - 10 - Karl Book

---

**Request:**

**Old Equipment:**

We still do not have a functional remote control for the autopilot. The organization is working on it now. We cannot dock out

**New Equipment:**

**Reason:**

---

**Response: Not Approved**

OA fixed. Autopilot including remote was working yesterday during costal race. Today was found with all sources cancelled
