Request No: 03

Boat: ILCA 4 - 15&U - SGP 3267 - SZ20508G - Joash Tan

Request:

Old Equipment:

Sail number SGP 3267

New Equipment:

Sail number SGP 21424

Reason:

I want to change my sail number because when I signed up for the regatta I used my sailor Id, which then used my optimist sail number. But now I am sailing ilca 4 and they used my optimist sail number to register so when i sailed yesterday all my races were recorded as DNC

Response: Approved

Referred to Race Control to update sail number
