Request No: 03

Boat: 3590 - WIND RIDER - CEM ISIL

Request:

Old Equipment:

New Equipment:

Reason:

Yesterday we had request to use our spare cruising main, due to damage in the racing sail. Committee had kindly granted permission. Please be informed that we were able to repair the damaged sail and will be using the original sail with TUR3590 numbers on it. We are hoping that the repair will hold and will not have to resort to the spare sail again. We hereby inform the Committee as such and thank for your understanding. Good regatta.
