Request No: 05

Boat: FK Youth - FRA 49 - Tylia Loubert

Request:

Old Equipment:

15m vmg2

New Equipment:

15m vmg3

ELM 13525

WSCA 15289

Reason:

I was on starboard tack when a rider approached me on port tack. We got entangled, and several bridles on my kite broke. Since I didn't have time to repair it, I returned to the beach quickly and switched to another kite for the next race
