Equipment Substitution Request

Received: 2025-08-04 18:19 EDT

Request No: 15

Boat: Ilca 6 - ON - CAN 214031 - Alec Bostan

Request:

Old Equipment:

My old hull is a 2017 laser performance, sail number 214031 which used to be dry but which is now cracked at the bow due to the accident.

New Equipment:

My new hull would be a new e6, sail number 227444, but my spars, sail, foils, and rigging would remain the same.

Reason:

I was part of a collision on the starting line in the first race of day 3 (race 6). I was on starboard and was hit by another boat on port tack, causing some cracks on the bow of my hull. As a result of this, my boat is taking on water and I want to switch hulls for tomorrow

Response: Approved
