

J/70 European Championship 2025

Equipment Substitution Request

Received: 2025-08-27 20:30 CEST

Request No: 18

Boat: European Championship - AUS 1132 - Porco Rosso - Will Sargent

Request:

Old Equipment:

Suzuki 2.5 4 Stroke

New Equipment:

Mercury 5hp 4 stroke

Reason:

On our charter boat, our Suzuki 2.5 engines drive shaft sheered and is now broken. We have sourced a 5hp mercury to replace this. The Suzuki was 14kg and the Mercury is 25kg. Can we please take 10kg of correctors out of the boat to make up for the difference between these two engines?

Response: Approved
