

# Skelcon 2026 Australian 13ft & 16ft Skiff Championships

## Equipment Substitution Request

**Received: 2026-01-08 20:32 AEDT**

---

**Request No: 10**

**Boat: 16ft - Open - STG-23-11 - Off the map - Peter Mackie**

---

### **Request:**

#### **Old Equipment:**

Number 3 Truflo jib

Rego # stg -23-11

#### **New Equipment:**

Number 3 Paradox jib.

Rego # stg -25-47

This jib was registered by Wichard.

#### **Reason:**

Due to myself getting the boat on the water very late this season after a right hip replacement and rehabilitation period I was unable to get a new # 3 jib in time due to the Christmas break. The current # 3 jib does not fit the boat properly as it is made for a China boat & I have a Vanmunster boat. Just today Wichard has withdrawn from the regatta due to crew problems & I have been able to acquire a new # 3 jib rego # stg -25-47 which will fit my boat properly as they are both Vanmunster boats.

I know this is a very unusual request but I would like the committee to consider this as we have not used the # 2 rig at all in this regatta so far & the fact that I didn't know whether I would be sailing at all due to the lengthy rehabilitation period with my hip replacement.

---

### **Response: Not Approved**

Registered sail was not damaged
