

2026 Formula Kite World Championships

Equipment Substitution Request

Received: 2026-05-12 09:42 WEST

Request No: 05

Boat: Formula Kite - Women - 20 - Breiana Whitehead

Request:

Old Equipment:

15m serial no. 30DP15-2725-29691

New Equipment:

15m serial no. 30DP15-1925-27404

Reason:

I was involved in a major tangle in race 2. ~50% of the 15m kite bridles are abraded, show burn marks and/or stretched. I would like to request a substitution of 15m as I am concerned about the safety continuing racing on this kite.
