Reason:

We are writing to formally request authorization to use an alternative sail number on a spinnaker and a jennaker regularly registered on certificate and tagged by technical officer, for the upcoming event. The mentioned sails are marked with sail number GER 5609 instead of our officially registered number ITA 4629. Thank you for your consideration. We look forward to your response. Best regards,

Response: Approved

For the TC it is important that sails are registered and marked with event's sticker.
For sail number please ask Race Committee
