**New Equipment:**

[ESP.jpeg 256 KB](#)

**Reason:**

I would like to request a change of equipment, specifically the foil mast. During the race, I had a collision with another rider and the mast was damaged/broken to the point that I could not continue sailing safely. For this reason, I request permission to replace the damaged mast with another one in order to continue competing. Damaged mast serial number: co3502 New mast serial number: co6502

**Response: Approved**

Come to the race office to take the ELM
