**Request No: 01**

**Boat: ILCA - ILCA 6 - 205338 - ILCA 6 - Julian Lloyd**

---

**Request:**

**Old Equipment:**

As above, hull was 225338, now hull is 167587. Sail number remains 225338

**New Equipment:**

Hull 167587, sail 225338. I own both, so there are no conflicts re sail numbers etc.

**Reason:**

Hull was 225338, now hull 167587. Sail remains 225338. I was unable to repair 225338 in time to bring so have brought my old hull 167587. Currently 225338 is not sailable! Sorry for the swap after closing, I was unable to change myself via the Portal, hence the request.
