

2021 ILCA 6 Youth World Championships Equipment Substitution Request

Received: 2021-07-29 02:00 CEST

Request No: 19

Boat: ILCA 6 - Bronze - 194180 - Blanca - Devon Owen

Request:

Old Equipment:

Two bottom rivets on carbon top section. One rivet at the top of the carbon top section.

New Equipment:

Two new bottom rivets on carbon top section. One new rivet at the top of the carbon top section.

Reason:

The piece is unreliable and coming out of the whole.

Response: Approved

You need to replace the rivets on the top mast section. Just the rivets, not to replace the top mast.
