Notice:

Pathfinders play an important part of the race, and whilst it may be a bit daunting to those that haven't done it before, please embrace the opportunity and 'give it a go', it's not every day you can cross the fleet on port! The race committee will talk you through the process, if required, and keep you informed of timings and when to reach the port limit mark.

If selected as Pathfinder the only acceptable reason for declining the role is gear failure, and you cannot start the race. This is when we use the Reserve Pathfinder. If you don't wish to be Pathfinder (tactically or otherwise) can I suggest you don't finish in 10th, or 11th place.

SI 14.3 states " A pathfinder or reserve that fails to report will be scored Did Not Start without a hearing."
