Monday 7th July : 10.00-12.30

COMPETITOR BRIEFING

Tuesday 8th July: 10.30am in front of the Podium Area.

WORLDS CHECK MEASUREMENT PROCESS

1. Visit the Registration Desk to verify your details- insurance and sail numbers. You will also collect your Official Worlds check measurement form.

2. Choose a Worlds "check" measurement slot – subject to availability. Each slot is for 15 minutes.

3. Bring your chosen equipment, measurement certificate and measurement form to the

measurement area for verification and worlds stamp. Please do not be late. The measurement area is on the lake side in front the Gym.

4.Once you have completed your measurement process, return to the registration desk, with your completed measurement form and receive your Worlds pack including racing bib.

FUNDAMENTAL BOAT MEASUREMENT

If your boat - hull or sails, need "Fundamental Measurement" i.e. They have not been measured before, then you need to book a fundamental measurement slot – before your check measurement slot. So again:

1.Visit the Registration Desk to verify your details- insurance and sail numbers. You will also collect your Official Worlds check measurement form.

2.Choose a Fundamental measurement slot – subject to availability. Each slot is for 30 minutes. Please do not be late. The measurement area is on the lake side in front the Gym.

3.Complete your Fundamental measurement, then if you are ready, these items can then be also "Worlds Check" measured.

4.Once you have completed your measurement process, return to the registration desk, with your completed measurement form and receive your Worlds pack including racing bib.
