WORLDS MEASUREMENT PROCESS

1. Visit the race office registration desk to verify your details - third party liability insurance and sail number. You will also collect your Official Worlds Measurement Form.
2. Choose a Worlds measurement slot – subject to availability. Each slot is for 20 minutes.
3. Bring your chosen equipment, measurement certificate and Worlds Measurement Form to the measurement area for verification and worlds stamp. Please do not be late. The measurement area is on the lake side in front the Gym.
It is at the discretion of the Organizing Authority and the Official Measurer to use Room 5 as an additional measurement location if needed.
4. Once you have completed your measurement process, return to the race office registration desk, with your completed measurement form and receive your Worlds pack.

We kindly remind all competitors of point 8 of the [NoR](#):

8 EQUIPMENT INSPECTION

8.1 Each boat shall produce a valid measurement certificate. Competitors are encouraged to complete fundamental measurements prior to arrival at the regatta.

8.2 [DP] All boats must undergo equipment inspection before racing.

8.3 There is no first measurement of sails or equipment.

8.4 [DP] Boats may be inspected at any time. On the water, a boat can be instructed by a RC equipment inspector or measurer, to proceed immediately to a designated area for inspection.
