Notice:

Add to NoR Appendix 2: Support Vessel Rules as follows:

When transiting from one racing area to another, or to the marina, support vessels shall maintain a distance of at least 150 meters from any boat racing and shall not stop until they reach the support vessel area of the racing area they are transiting to, or the marina. In addition, support vessels shall not cross the area between marks 1s/p and 2s/p on any racing area.

Boats may seek assistance from official vessels to effect necessary tasks.
