Notice:

Dear competitors,

Due to a miscommunication between the different channels, an information (that had already been shared elsewhere) was unfortunately not published on the official notice board:

On Monday, September 29, the IMA 1 and MaxiGp will race on windward/leeward course for races back to back.

The IMA 3, 4, and 5 will sail one coastal course, which will be announced on the 29th before 10:00.
