Measurements

Each day the Technical Committee will be undertaking a series of Measurement Spot Checks on a selection of boats - BEFORE RACING.

So for Thursday 2th October the following boats have been chosen:

SVK 143
ITA 8745
ITA 8192
ITA 7047
FRA 8995

Can one of the crew members for each of these boats come to the measurement tent to meet one of the Technical Committee before launching.

The Technical Committee member will then go to the boat to undertake the checks.

Thank you
