Notice to Competitors

The following sailnumbers need to be checked.

ITA 7646

ITA 8636

ITA 85

Can one of the crew members for each of these boats come to the measurement tent to meet one of the Technical Committee before launching.

The Technical Committee member will then go to the boat to give directions and undertake the sail number checks.

The sail numbers need to comply with to Feva class rules backed by Appendix G1.2 of the RRS.

This is important for the readability on the water and for scoring purpose.

Thank you
