TBD Competitor's Briefing – in front of the Podium Area

WORLDS MEASUREMENT PROCESS

1. **Visit the race office registration desk to verify your details and pick up your race bag** - third party liability insurance, sail number and category.

You will also collect your [Official Worlds Measurement Report](#) that you shall fill out before measurement.

2. **Collect your equipment** and bring the following items to the measurement stations as described below:

SAILS - Measurement Station 1 (*south in front of the gym*)

MAST, BOOM and *HULL – Measurement Station 2 (*north over the crane area*)

**Boat weighing at the crane area*

3. **Set up the boat for final inspection** and have it checked by the measurer (*north over the crane area*). If all inspections have been correctly completed, the boat can be craned.

We kindly remind all competitors of point 10 of the [NoR](#).
