**Notice:**

The Warning Signal for the first race on Sunday 12 April is scheduled for 1055.

The Race Area is to the West of the River and I expect the CB to be anchored about 0.8nm West of the river.

The plan is to run 3 races if conditions allow.

*Note: (Not part of the Schedule)*

*I am expecting 17-22 knots from 230 with gusts up to 25 knots, hopefully no more. The Flood starts at about 11:00 so the seas should subside quite soon after that. I am sorry to say that it is too windy to commit to going into Christchurch Bay.*
