WALK WITH US IN ANO POLI

For our rest day, which is scheduled on Friday the 1st of October, we have arranged a walking tour in Ano Poli of Thessaloniki.

We will be visiting the castles, the unique Byzantine monastery of the city and the little church of Osios David with its rare mosaic of young Jesus. We will walk on the small streets of Ano Poli and we will enjoy a glass of tsipouro at a traditional tavern, which is the oldest one remaining since the years of Othoman rule. After that, we will move by bus to visit three of the most important monuments of Thessaloniki: the Rotunda, the Arch and the palace of the Roman Emperor Galerius.

Before we set off on our way back to the Nautical Club of Thessaloniki we may as well enjoy a cup of coffee next to the White Tower or the port area.

Cost: 30 euros per person.

In the above price the following are included: transfer from and towards the Nautical Club of Thessaloniki, a professional tour guide accompanying us, entrance to the castles and the Rotunda as well as the tsipouro at the area of Tsinari.

As far as the transfer on the coach and the entrance to the castles and the Rotunda are concerned, please note that a certificate of vaccination or a valid test as well as your ID/passport are necessary. On the coach, in the castles and the Rotunda masks are obligatory. Sports shoes are recommended.
