George Coyles SI amendment

Source: Race Committee

Published: 22 May 20:46

Notice:

Amendment 1 to the Sailing Instructions for the George Coyles Tune-Up, Summer Bell Buoy, and Archie Walker races.

The purpose of this amendment is to safely and fairly route boats around the Ashbridge's Bay Treatment Plant Outfall Construction Zone (the drill rig and other structures extending above the water approximately 1 nm to the south of the club).

Add new instruction 7.3 HAZARD ZONE

7.3.1 There is a large spherical orange buoy near the northwest end of the construction zone at the following coordinates: N 43 37.931 W 79 17.795 and a similar buoy near the southeast end of the construction zone at the following coordinates: N 43 37.662 W 79 17.652

7.3.2 On the first leg of the race, boats shall leave the northwest buoy to port **OR** the southeast buoy to starboard. On the return leg to mark 3, boats shall leave the northwest buoy to starboard **OR** the southeast buoy to port.

7.3.3 There are other buoys in the vicinity of the construction zone. They may be disregarded.
