Conflict of interest declaration

Wee Lee (Jury) had declared that his sons (SGP 4672 & SGP 4704) are sailing in the Optimist silver fleet.

In relation to the above declaration, the protest committee has decided as this is not a major sailing championship and the kids are learning to compete in a club event. The level of conflict of interest is perceived to be minor.

The protest committee had further restricted his duties by informing him that he will not be out in the water judging rule 42 and will excuse himself if the protest is involving his kids.
