

2022 - 2023 Polar Bear Series

Notice to Competitors

Number: 05

Sunday February (not March) 26th is a go. We're racing tomorrow

Notice:

Good evening sailors,

Looking at weather forecasts and current conditions, I believe the conditions will allow us to race tomorrow.

The snow should be turning into rain early in the AM and air temperatures are expected to be warmer than in recent days. That said, there may still be snow on roads and we ask everyone to be careful on your way to your marinas and clubs tomorrow morning.

See you on the water.
