Inspections between races

Source: Race Committee

Venue: Riva del Garda

Published: 31 May 17:12

Notice:

Pursuing the rule 9.6 of the NoR, we inform you how to prepare the boat for inspection.

Boats inspection on the water:

At the end of a race boats called for the inspection by VHF channel # 72, shall sail to the area Bravo and wait for the Equipment Inspector; its boat is identified by the "M" flag.

Be ready to show the following items:

1. One anchor and chain combined not less than 5kg in weight with at least 40m of rode with minimum diameter of 8mm.
2. One bucket of not less than 9 liter capacity.
3. One manual bilge pump.
4. One marine first aid kit.
5. One main companionway hatch.
6. One main companionway dropboard.
7. One operational VHF radio.
8. One throwable flotation device.
9. One fire extinguisher
10. A copy of the boat's current and valid Manufacturer's Declaration (in paper form or electronic).
11. The Personal Flotation Devices

The Equipment Inspector may also inspect the interior of the boat.

Boats inspection out of the water.

At the end of the last race of each day boats called for the inspection out of the water by VHF channel #72, shall sail directly to the crane area; it is mandatory to enter in the FVM crane area backward, from west to east.

It is not necessary remove your equipment from the boat.

The engine shall be fixed to the transom bracket

Lifting straps will be supplied by the OA.

Be ready to show the following items preparing it in the cockpit:

1. One anchor and chain combined not less than 5kg in weight with at least 40m of rode with minimum diameter of 8mm.
2. One bucket of not less than 9 liter capacity.
3. One manual bilge pump.
4. One marine first aid kit.
5. One main companionway hatch.
6. One main companionway dropboard.

7. One operational VHF radio.
8. One throwable flotation device.
9. One fire extinguisher
10. A copy of the boat's current and valid Manufacturer's Declaration (in paper form or electronic).
11. The Personal Flotation Devices

The Equipment Inspector may also inspect the interior of the boat.
