

International Moth Open & World Championships 2023

Notice to Competitors

Number: 13

Towing to promote foiling pre start.

Source: Protest Committee

Venue: Weymouth

Published: 12 Jun 22:46

Notice:

The protest committee do not consider this a breach under RRS 42 before the preparatory signal if in areas the support boats are permitted to be in.

As not all competitors have support boats, the protest committee have yet not considered whether gaining this advantage would be a breach of sportsmanship under RRS 2 (meaning a none discardable disqualification).

We hope not to have to make this decision!
