Series A Division 4 race 7, July 2

Notice:

The course for division 4 was 2-8-1. When division 4 boats arrived at mark 8 (the gybe mark) they found the mark was missing. All the boats in the division then sailed the rest of the race and crossed the finish line.

After considering the consequences for all boats in the race and the series as required by RRS 32.1, I am abandoning that race according to RRS 32.1 (c).
