**Notice:**

Weather permitting, we will be racing on Monday July 29. Our current plan is NOT to race on August 5 (Civic Holiday). Skippers and Mentors– if you are planning to participate on Monday 29th, please email Dave at [dave.steenbergen@rogers.com](mailto:dave.steenbergen@rogers.com).

New sailing instructions which are valid for Mondays until the end of August have been posted. The format of the races is unchanged but some information has been added for clarity.

All: We want to get more boats out. If you know of a skipper who might be persuaded to give fun racing a try, please have a talk with them.
