Protestee OPTIMIST - 2530

Description

In the first race of the day, the 3rd race of the series, while going to starboard tack right after the start, boat number 2530 hit my rudder from behind and caused material damage to boat number 6001. According to rule 12, since she was catching up from behind, she had to give way. I called out for protest but she continued after saying okay.
