Description

crossing the gate on the left mark, starboard, I had a collision with an unidentified boat. I entered the zone 3-4 lengths before her, but she was overlapped inside. I thought I have enough time to pass the mark but another boat stopped on the mark and slowed me. The right-of-way boat arrived and my right hull touched her left bow. I know I infringed rule 18 so I've taken a penalty as soon as possible.
