

40 Copa del Rey MAPFRE

Question for Officials

Date: 2022-08-05

Question No: 04

Question For: Race Committee

Question:

Please can you explain the rating used for our class. In my ORC rating there is an 'Windward/Leeward' Number.

Are you using this?

Or the basic CDL ?

It seems strange to us that we have to be as fast or faster than a tp52 with a 25 ton heavy cruising boat.

Answer:

We apply PCS with constructed courses.

If you need further details please go to the race office and ask for Pablo Ferrer.
