Question For: Race Committee

Question:

My name is Sviatoslav Madonich.

I am a skipper of the optimist number UKR 311.

Can I kindly ask you to allow me to put my camera on my optimist's board (in front of the boat) and make some videos of my boat-handling during the regatta.

We will not use this videos for any reasons.

Just for my individual experience.

Thank you.
