

International Moth Open & World Championships 2023

Question for Officials

Date: 2023-06-07

Question No: 01

Question For: Race Committee

Question:

Hi, I have been delayed abroad for 2 days due aircraft technical fault and have just returned today after flying overnight, and am unable to get down today to register (can't drive 2 hrs now). Please would it be possible to register some other way or tomorrow morning for the UK open. I can register as normal for the worlds on Sunday. Many thanks for your consideration, Adam.
