

## 2023 GNS Séries I Question for Officials

**Date:** 2023-10-02

---

**Question No:** 13

**Question For:** Race Committee

**Question:**

The course on the first Frostbite last Sunday was nothing like what was stated on the SI.

There were supposed to be two windward marks according to SI.

There was an Orange windward mark after the Yellow windward which match 1b on SI but it was not part of the course.

Also the second race should not have been cancelled. There was enough winds.
