

## Double Mixed Offshore World Championship Question for Officials

Date: 2023-10-04

---

Question No: 08

Question For: Organizing Authority

Question:

- We are carrying 2 spinnakers aboard. Under what circumstance can we use the second one?
- How much emergency water must we carry? The SI does not stipulate, therefore we default to the OSR cat 2 which states 9L.

---

Answer:

- decision to use the spare gennaker is up to each crew
  - as per OSR 2 = 9L
