## Question for Officials

Question No: 03

Question For: Race Committee

**Question:**

Dear Race Committee,

I am writing to you as the helmsperson of boat UAE 3239.

Due to a multitude of complexities it may be unavoidable for me to need to substitute 1 crew member for 1 day only during the regatta so I can move house.

The challenge of aligning permits, removal company and various contractors makes it probable that the only option to move house will be on the 14th February.

Please may I respectfully request permission for my mainsheet trimmer to take over helming for one day (to be confirmed) and one crew to be substituted onto the boat for the purposes given.

Any evidence required to corroborate will be gladly provided.

Thank you for your understanding and kind consideration.

Best Regards

Mitch Webb
