

BPI Subic Regatta 2024

Question for Officials

Date: 2024-04-01

Question No: 02

Question For: Race Committee

Question:

I got a response to one of my questions as "The courses have not yet been published." Well, they have been published, I printed it out, and my son and I have read them. That is how we know that two Marks have the same coordinates. You need to fix this.

Answer:

The documents that currently appear on the Official Notice Board do not contain the Courses. Any documents that might have appeared and are no longer on the Official Notice Board have no status in this event and should be ignored.
