Question No: 01

Question For: Protest Committee

**Question:**

When a jury blows a whistle and points the yellow flag at my boat and hails my sail number, what should I do?

---

**Answer:**

You have been penalised for infringing **Rule 42 - Propulsion**.

- For the first infringement, a boat must sail clear and complete a 2-turn penalty (as described in rule 44.2). If they do not, they will be scored DSQ (disqualified).
  - For subsequent infringements, the boat shall promptly retire (leave the race course). If they do not, they will be scored DNE (disqualification-not excludable).
