Date: 2024-06-20

Question No: 02

Question For: Race Committee

Question:

Can you confirm that we are registered for GNS? I thought I registered in May but I don't see us on the list. I just registered again.

Rod Hayes says he was contacted by GNS because I wasn't registered.

Answer:

Yes Mark you are registered for the GNS series. Rod misunderstood the problem, your boat is not listed on the SLVYRA rated yachts list, without a handicap we cannot score you. There is a separate registration process for the SLVYRA rated yachts list. Rod can assist you in the process. There is also a link on the SLVYRA to request a handicap.
