

## 2024 GNS Séries I

### Question for Officials

**Date:** 2024-09-01

---

**Question No:** 03

**Question For:** Race Committee

**Question:**

Good evening. The results came for the race on Wednesday July 5th. Can you please double check that sail 438 were actually sailing the division 3 race? We were convinced to only be three boats on our course and did not see 438 at the start nor at any time on the course. Many thanks. Please forgive us if we are mistaken.

---

**Answer:**

Sorry for the delay, I wasn't sure who was on RC that evening (and I'm not on the water). I finally got an answer from the RC, they confirmed they accidentally checked in sail 438 in division 3 in error, that the boat dead sail in division 2. I have updated & published the revised results for Sail Week. -Wendy (GNS/SLVYRA Scorer)
