Question For: Organizing Authority

Question:

Reyes's regatta ranking was changed from 8th to 9th after the removal of 2 other competitors, SGP 214848 and SGP221686 from the regatta results, despite them being in the official entry list and also launch sign-out/in as of 4 Aug 2024, 8.53pm per attached screenshots. The 2 competitors should still be scored DNC14 given that there are 13 boats registered on the official entry list and Reyes's ranking should be updated to 8th. I would like to know why was the 2 competitors not scored DNC14.
