## Question for Officials

**Date:** 2024-09-11

---

**Question No:** 04

**Question For:** Protest Committee

**Question:**

Race No.6 techno plus putra  
Dandi juliansyah - ina 89

Rule 32

RO boleh membatalkan pertandingan krn berbagai hal. Namun, setelah satu perahu telah melewati lintasan dan selesai dalam batas waktu, jika ada, panitia perlombaan tidak boleh meninggalkan perlombaan tanpa mempertimbangkan konsekuensinya bagi semua perahu yang mengikuti perlombaan atau seri tersebut.

Kami memahami pentingnya keselamatan namun rescom mempunyai wewenang untuk memberlakukan (curtailed race) supaya bisa dihitung, karena kebijakan ini sudah digunakan di berbagai kompetisi internasional.

Kami memohon dengan sangat untuk mempertimbangkan ini kembali.

Terima kasih

**Answer:**

Hi Dani Juliensyah,

Thanks for your question. Although this question appears to be regarding the interpretation of RRS 32.1, it involves a race committee decision concerning an actual incident on the race course for this event. Therefore, it would not be appropriate for the protest committee to comment or provide an opinion regarding your question through this Q&A.

The protest committee understands that you submitted scoring enquiry 03 and question for officials 01 on 11 Sep at 15:38 and received an answer from the race committee via the online system on 11 Sep at 17:11. Should you still be unhappy with the decision or answer from the race committee and think that you may be eligible or would like to be considered for redress, the proper procedure would be to submit a request for redress so that the protest committee can schedule a hearing to hear your case. Thank you.
