## Question for Officials

**Date:** 2024-09-27

---

**Question No:** 01

**Question For:** Race Committee

**Question:**

We would like to know if it's possible to use spinnakers with a different sail number? Although our mainsail has the ESP 7552 number, we bought second hand spinnakers from the Super Series boats, with distinct sail numbers.  
Thanks in advance for your advice

**Answer:**

It's possible if you give us the different spi number before the start of the regatta.
